INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, D.C. 20231

Sir: -

Submitted herewith is an Information Disclosure Statement on PTO-1449 pursuant to 37 C.F.R. 1.97.

The Examiner is respectfully requested to consider the Information Disclosure Statements submitted by Applicants in U.S. Patent Application Serial No. 09/346,470 filed July 1, 1999, from which the above-referenced application takes priority under 35 U.S.C. §120.

All the references were made of record in U.S. Serial No. 09/346,470 and are not provided herewith.

This information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the

patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that Applicants know of the best art.

It is believed that this submission does not require the payment of any fees. If this is incorrect, please charge any requisite fees to Deposit Account No. 07-1969.

Respectfully submitted,

Donna M. Ferber
